COMPANY NUMBERS

In an effort to showcase our students' talent, BOSS will hold auditions in the spring to cast our company performance numbers. Students will be cast and featured in a specialty discipline number to best showcase their individual strengths.

Participation is completely optional. There will be an additional fee associated with company participation, though we will do our best to keep it as affordable as possible to encourage participation. We will provide more information on company later in the year.

BALLET/TECHNIQUE

- All students taking RISE, TECH, or STAGE Dance classes must be co-enrolled in a BALLET or TECHNIQUE class.
- Classes may be taken at BOSS or an outside studio.
- BOSS classes that meet these requirements include BALLET i+TAP I, BALLET II, OR DANCE INTENSIVE

Ballet/Technique is necessary to build strong dancers & is required, however, we realize this increases monthly tuition rates. To remain affordable, Ballet/Technique classes are 50% off when students are co-enrolled in a 2nd dance class.

While students may prefer more non-traditional or modern classes, BALLET & TAP are the building blocks of all dance genres and are necessary to provide students with a quality dance/performance education.
